Harvest Festival

On October 25th in the new Family Life Center the women of the church will host their annual Fall Harvest Festival. It begins at 3 p.m. ends at 7 p.m. There will be two hand quilted quilts - Triple Irish Chain and Grandmother's Flower Garden (handpieced) in the silent auction along with a whole bunch more handmade crafts and donated items by local businesses/banks. Dinner will be served at 4 p.m. (hamburgers, hotdogs, chili and white-beans/cornbread.)

A New Cookbook

Mt Liberty women have not produced a new cookbook in well over 10 years.... so we want to create one by early 2009. We're going to be collecting recipes for the next several months and we figure you'll get out those extra special recipes during the upcoming holiday season! Please use the form at the church to submit your recipes.

Nashville Presbytery will meet with the Locust Grove CP Church on October 28 at 9 a.m. Anyone is welcome to attend.

Quarterly Church Clean Up

All the church is invited to our quarterly church clean-up day on the morning of October 18. The men of the church will serve breakfast at 7:30 a.m. for all the workers. There will be a list of projects to compete and a sign-up list for the breakfast. Let's keep our buildings and grounds looking great!

Visitor Sunday

Remember the last Sunday of the each month is "Visitor Sunday." We will recognize all visitors on that Sunday who have come for the first time in October. Bring a visitor to church in October and especially the last Sunday of October. They will receive a loaf of home-made bread.

Loaves and Fishes Offering

The 2008 Loaves and Fishes program will assist the victims of the tragic cyclone that struck Myanmar earlier this year. Our Thanksgiving offering of the denomination has contributed over 2.2 million dollars to various hunger causes since it began in 1983. We will partner with New Mission Systems International for the 2008 Loaves and Fishes Program.

Cyclone Nargis affected an estimated 2.4 million people. The U.N. Office for the Coordination of Humanitarian Affairs has recently reported that nearly 140,000 people are either dead or missing as a result of the cyclone. In addition, they are reporting that of the overall total of \$480 million now requested by 13 UN agencies and 23 non-governmental organizations, only \$178 million has been committed, leaving a need of \$303 million! New Mission Systems International has the ability to effectively distribute funds directly to people in need in Myanmar. Our fundamental strategy will be to directly support individual villages to re-establish their farming infrastructure.

Offering boxes will be available on November 2 for each family. We will receive and dedicate them on November 30. Please be involved.

There will be no Pathways children's meeting on October 8 and 15 because of the Dickson County school vacation.
